WORK EXPERIENCE

Mavera

IT Specialist   *Sep 2024 - Present*

- Oversaw the **deployment** of the company's PBX and **internet infrastructure** by coordinating with external vendors, ensuring timely rollout and **minimizing internal disruption**.
- Procured 10+ IT devices and **cut costs by 40%** by negotiating with specialized suppliers, aligning hardware purchases with **department-specific software needs**.
- **Built and maintained** client and finance databases using Lark, enabling centralized CRM and automated finance tracking across teams.
- **Installed and configured essential software** on all procured devices, including Lark, 3D modeling tools, and graphic design suites, **optimizing team productivity**.

TechnoSpace

Software Engineering Intern   *Jan 2023 - Apr 2023*

- Contributed to the development of a custom e-commerce platform using **PHP and MySQL**, enhancing user experience with a clean interface and product filtering functionality.
- Assisted in building a dynamic backend using **PHP and MySQL**, and **implemented front-end** features such as real-time form validation with **JavaScript** to improve usability.

EDUCATION

Lancaster University

Bachelor of Software Engineering (Hons.)   *Graduation Date: Jan 2024*

PROJECT EXPERIENCE

Flower Shop E-commerce Website

PHP, MySQL, JavaScript

- Built a responsive e-commerce site for floral arrangements using **PHP and MySQL**, featuring dynamic product listings and **JavaScript-based** cart and form functionality for an improved user experience.

Currency Converter Web App

React, JavaScript, ExchangeRate-API

- Developed a real-time currency converter in **React**, integrating ExchangeRate-API for accurate rate fetching and using **asynchronous programming** for seamless updates and performance.

CERTIFICATIONS

- Front-End Web Development, *ALX*
- Professional Development for the Digital Age, *ALX*
- Meta Front-End Developer Professional Certificate, *Coursera*

EXTRACURRICULAR ACTIVITIES

Sunway Tech Club

Management Department Committee Member   *May 2023 - Feb 2024*

- Organized 10+ educational and team-building events, improving **student engagement** and fostering **collaboration** among **50+ members**.
- Co-led a team of 9 in monthly **event planning**, ensuring **timely execution** through structured **task delegation** and communication.
- Personally handled crucial tasks to support **club growth** and ensure **seamless event execution**.
